

Name: Christopher James DiBlasio, M.D.

Office Address: 21 Southdown Road, Huntington, NY, 11743

Work Phone: (631) 351-3763

Work Fax: (631) 385-8210

Place of Birth: Mineola, NY

**Education:**

9/94-6/98 B.S. Biology (Major); Jazz Performance (Minor); Fairfield University, Fairfield, CT; *Cum Laude*

8/98-5/02 M.D. St. George's University School of Medicine, Grenada, West Indies; *Cum Laude*

**Postdoctoral Training:**

7/02-6/03 Research Fellow, Urologic Oncology; Memorial Sloan-Kettering Cancer Center, New York, NY

7/03-6/04 Intern, General Surgery; University of Tennessee Health Sciences Center, Memphis, TN

7/04-8/08 Resident, Urology; University of Tennessee Health Sciences Center, Memphis, TN

**Faculty Academic Appointments:**

8/08- Clinical Instructor, Department of Urology, University of Tennessee Health Sciences Center, Memphis, TN

5/10- Adjunct Clinical Instructor, Department of Urology, Mount Sinai School of Medicine, New York, NY

9/13- Clinical Associate Professor, Hofstra North Shore-LIJ School of Medicine

**Appointments at Hospitals/Affiliated Institutions:**

12/08-1/12 Attending Physician, Department of Urology, New Island Hospital/St. Joseph's Hospital, Bethpage, NY

9/08- Attending Physician, Department of Urology, Huntington Hospital, Huntington, NY

9/08- Active Physician, Allied Metropolitan Medical, LLC, New York, NY

2/09- Attending Physician, Department of Urology, North Shore University Hospital, Manhasset, NY

2/09- Attending Physician, Department of Urology, Long Island Jewish Medical Center, New Hyde Park, NY

**Other Professional Positions:**

8/09- Medical Advisory Board Member, Allied Metro Medical, New York, NY

2010- Consultant/Surgical Proctor (Renal/Prostate Cryoablation)Healthtronics/Endocare

2011- Consultant/Surgical Proctor (Holmium laser ablation and "Bridge" prostate surgery) Boston Scientific

2011- Consultant/Surgical Proctor (Holmium laser enucleation of prostate surgery) Lumenis

2012- Board Member, COLD (Cryo Online Database) Registry

2014- Board Member, Lumenis Surgical

**Major Administrative Leadership Positions:**

11/12- Division Chief, Department of Urology, Huntington Hospital, Huntington, NY

**Committee Service:**

10/09- Cancer Committee, Huntington Hospital, Huntington, NY

10/09- Surgical Care Improvement Project (SCIP) Committee, Huntington Hospital, Huntington, NY

10/09- Peer Review Committee, Allied Metro Medical, New York, NY

4/13- Robotic Surgery Performance Improvement Committee, Huntington Hospital, Huntington, NY

**Professional Societies:**

2003- American Urological Association, Member

2004- Society of Endourology, Member

2007- New York State Urological Society, Member

2007- UROPAC, Member

2007- Association of Clinical Urology, Member

2008- Alpha Omega Alpha, Member

2008- New York Section, American Urological Association, Member

**Honors and Prizes:**

**Undergraduate:**

- Alpha Epsilon Delta (Pre-medical honor society)
- Alpha Mu Gamma (Foreign Language Honor Society; *Italian*)
- National Dean's List
- United States Achievement Academy's All-American Scholar Award
- Four-year academic merit-based scholarship recipient
- Dean's List of Distinguished Academic Achievement (1994-1998)
- Fairfield University Musical Excellence Award (2002; Most valuable player)
- Cum Laude* graduate

**Medical School:**

- Iota Epsilon Alpha (International Medical Honor Society; AOA equivalent)
- Peer-Distinguished Future Physician Award (2000)
- Dean's List of Distinguished Students
- Cum Laude* graduate

**Residency:**

2003-2004 Regional Medical Center Physician Recognition Award for Excellence in Patient Care, Department of Trauma Surgery, Memphis, TN

2005-2008 Peer-selected resident-faculty advisor, Department of Urology, University of Tennessee Health Sciences Center, Memphis, TN

2006 2<sup>nd</sup> Annual National Urology Residency Preceptorship (NURP) in Adult and Pediatric Reconstructive and Prosthetic Urologic Surgery, Cleveland Clinic Foundation, OH

2006 American Urologic Association George P. Murphy Honorary Scholar

2008 Alpha Omega Alpha (AOA) National Medical Honor Society

2008 American Urologic Association George P. Murphy Honorary Scholar

**Report of Unfunded Projects:**

2010- Focal prostate cryoablation for treatment of low-volume clinically localized prostate cancer

**Clinical Supervisory and Training Responsibilities:**

2012- Medical Student I.C.E. (Initial Clinical Experience) Preceptor, Hofstra North Shore-LIJ School of Medicine

**Report of Teaching and Training:**

**Local Invited Presentations:**

*No presentations below were sponsored by outside entities*

- 12/08 Cytoreductive nephrectomy for metastatic renal cancer, Tumor Board, Huntington Hospital
- 1/09 Nephron-sparing surgery for treatment of renal cancer, Tumor Board, Huntington Hospital
- 2/09 Cryoablation of contemporary renal and prostate cancer, Tumor Board, Huntington Hospital
- 4/09 TURP/PVP - Combination - Old/New Conclusions, Department of Urology scheduled conference, Huntington Hospital
- 6/09 Retroperitoneal masses with renal involvement: diagnosis and treatment, Tumor Board, Huntington Hospital
- 1/10 BPH Medical Management, Department of Urology scheduled conference, Huntington Hospital
- 7/10 Treatment of advanced renal cell carcinoma with vena cava involvement, Tumor Board, Huntington Hospital
- 10/10 Urology and information technology, Department of Urology scheduled conference, Huntington Hospital
- 10/10 Potpourri of urological malignancy cases: locally advanced bladder cancer, locally advanced renal cancer, urethral melanoma and testis cancer, Tumor Board, Huntington Hospital
- 5/11 Retirement planning for urologists, Department of Urology scheduled conference, Huntington Hospital
- 11/11 Treatment of squamous cell carcinoma of the bladder, Tumor Board, Huntington Hospital
- 12/11 Treatment of testis cancer, Department of Urology scheduled conference, Huntington Hospital
- 12/11 Urology case scenarios, Grand Rounds, Department of Medicine, Huntington Hospital
- 2/12 Workup and treatment of small cell carcinoma of the kidney, Tumor Board, Huntington Hospital

- 3/12 Upper urinary tract transitional cell carcinoma; an update, Tumor Board, Huntington Hospital
- 6/12 Laparoscopy in urology, Department of Urology scheduled conference, Huntington Hospital
- 6/12 Laparoscopic approached to treatment of renal masses, Tumor Board, Huntington Hospital
- 8/12 Novel agents for treatment of advanced castrate-resistant prostate cancer, Tumor Board, Huntington Hospital
- 1/13 HoLAP/HoLEP BPH treatments, Department of Urology scheduled conference, Huntington Hospital
- 1/13 Potpourri of urological malignancy cases: transitional cell carcinoma of renal pelvis in a patient with history of partial nephrectomy for renal cell carcinoma, advanced presentation of testis cancer presenting with acute testis pain, Tumor Board, Huntington Hospital
- 2/13 An update on contemporary treatment of castrate-resistant prostate cancer, Tumor Board, Huntington Hospital
- 3/13 Case reviews in urology, Department of Urology scheduled conference, Huntington Hospital
- 5/13 Diagnosis and treatment of recurrent upper urinary tract transitional carcinoma following nephroureterectomy, Tumor Board, Huntington Hospital
- 7/13 Adult Case Presentations in Urology, Department of Urology scheduled conference, Huntington Hospital
- 9/13 PSA screening recommendations in 2013: AUA guidelines, Cancer Committee, Huntington Hospital
- 2/14 Contemporary surgery for the BPH patient, Department of Urology scheduled conference, Huntington Hospital
- 4/14 PSA screening guidelines in 2013/2014, North Shore Medical Group of the Icahn School of Medicine at Mount Sinai

**National Invited Presentations:**

- 5/14 The Bridge Technique: Combining vaporization and enucleation for optimized and simplified holmium laser technique for treatment of prostate enlargement, American

Urological Association Annual Meeting, Orlando, Florida (*sponsored event, Lumenis surgical*)

**Report of Clinical Activities and Innovations:**

**Current Licensure and Certification:**

2008- New York Medical License

**Practice Activities:**

2008- Ambulatory Care, Department of Urology, North Shore Medical Group of the Mount Sinai School of Medicine, Tuesday - Friday/Saturday, 9 am - 5 pm

2008- Inpatient and Ambulatory Surgery, Department of Urology, Huntington Hospital, Monday full operating day, alternating Fridays 1/2 operating day

**Report of Education of Patients and Service to the Community:**

*No presentations below were sponsored by outside entities*

10/2009 A discussion of male urinary health and prostate diseases in 2009. The Dolan Center of Huntington Hospital, Huntington, NY
